

Water Bag Poke Trick

Ingredients:

- Zip Lock Bag
- Water
- Pencils

Directions:

1. Fill bag with water.
2. Remove air and zip shut.
3. Stab clear through both sides with pencils.
4. See how cool it is when the pencil plugs the hole.

Hints

- Practice over the sink to start
- Clean up your mess so you don't get in trouble
- Share the fun with all your friends
- Pencils should be used to make your next plan and draw pictures
